Family Members

Family members must all live at the same address

Direct Debit

"Not Direct Debit" means payment by cheque, postal order, credit card, debit card or PayPal

"Direct Debit" means payment by the UK banking industry's Direct Debit system

Direct Debit is only available after the first year's membership

Direct Debit is only possible if you have a UK bank account

UK, European and Rest of World Membership

Membership fees depend on where you live

This is because of the postal costs for the magazine

So, for example, if you are a US citizen, but you have a permanent UK address, then you can have UK membership

[If in doubt, please contact the Membership Secretary](#)
