

Scale ModelWorld 2017 Access

Following consultation with the management of the Telford International Centre the Executive Committee have decided that we must continue to control the numbers of people in the halls during the show set-up and break-down phases, in order to conform to current safety requirements. In order to achieve this, the wristband system will continue to be used.

Friday 10th November	
Initial Set-up	As in previous years, only Members requested to attend will be allowed in the Halls. These Members will be issued with a set-up wrist band.
Display Set-up, From 15:00 hrs To 19:00	Four members from each displaying Branch and SIG will be issued with a set-up wrist band. ONLY these persons will be allowed access to the Halls.
Saturday 11th November	
Display Set-up, 08:00 to 09:00	Only Members who have been issued with a set-up wrist band will be allowed access to the Halls. Where a Branch or SIG has not been issued with all of its set-up bands on Friday, these will be issued to a maximum of four per Branch or SIG. ONLY members with a set-up wrist band will be allowed access to the Halls. Access will be by glass doors between halls three and four. ROLLER SHUTTERS WILL NOT BE OPENED.
09:00 Show Opens for Members	Members will be allowed to access the show via the front public entrance. Members will be issued with a wrist band at the front Members' Registration Desk.
10:00 Show Opens to the Public	Non-Members will be allowed access, on payment, via the front public entrance. (If there are queues for the cash desks, Non-Members with tickets bought in advance will have access via a separate lane)
Sunday 12th November
