

IPMS (UK) Scale ModelWorld 2026

Overseas IPMS Clubs

Display Space Booking Form

From: Chris Marston, Overseas Liaison, IPMS (UK)

email: overseas@ipmsuk.org

Hello and Greetings

The dates for **Scale ModelWorld 2026** are

Saturday 7 and Sunday 8 November at the Telford International Centre, Telford, Shropshire, TF3 4JH, England.

I am now accepting bookings from overseas and international attendees for the event.

If you would like to attend and display please complete and return this small and short form to me, by **Sunday 31 May 2026**.

Tables will be allocated on a first come, first served basis.

There is a very high possibility that there could be a lot of overseas interest this year... so early booking is very advisable, to guarantee your table space, and not be disappointed, and I have taken on board all your comments and feedback from last year.

I look forward to receiving your application papers and to seeing you there.

If you send anything to me, I promise to give you a response within in 7-10 days.

If you do not receive anything back from me, please resend your email ... no booking is confirmed until you get an email back from me to tell you it is confirmed.

Chris Marston
